CALGARY CITY FOOTBALL CLUB

Following the Canada Soccer Long-Term Player Development (LTPD) Model

What is Long-Term Player Development (LTPD)?

Long-Term Player Development (LTPD) is Canada Soccer's player-centred framework that supports athletes through every stage of their development—from childhood to adulthood. The model recognizes that players develop physically, mentally, emotionally, and socially at different rates, and ensures they receive age-appropriate training, competition, and learning experiences.

By focusing on the right development at the right time, LTPD helps players build confidence, improve performance, and develop a lifelong passion for the game.

Calgary City FC's Commitment to LTPD

At Calgary City FC, we are committed to delivering a development-focused soccer experience that follows the Canada Soccer LTPD model. Our certified and experienced technical staff provide age-appropriate training through a structured curriculum and consistent game model designed to maximize every player's growth.

We create a positive, safe, and inclusive environment where players of all skill levels are encouraged to learn, compete, and reach their full potential—both on and off the field.

Why Choose Calgary City FC?

- **Development-Focused Training** aligned with Canada Soccer's LTPD principles.
- **Qualified Coaching Staff** dedicated to player growth and individual development.
- **Competitive and Positive Environment** that inspires players to improve and enjoy the game.
- **Technical, Tactical, Physical, and Social Development** through age-appropriate programming.
- **Lifelong Friendships and Teamwork** built in a welcoming and supportive club culture.

Whether your child is beginning their soccer journey or looking to take the next step in their development, Calgary City FC's CMSA program provides the ideal environment to learn, grow, and develop a lifelong love for the game.

"NEVER STOP BELIEVING"

VOLUNTEERS ARE ESSENTIAL FOR OUR CLUB

"NEVER STOP BELIEVING"

Volunteer as a coach, team manager, or let us know how you can help our club. **It is fun and rewarding to give back to the community and support our young athletes!**

Calgary City FC provides an environment for all coaches to develop and continue their learning and education. We provide coaches with the opportunity to complete their mandatory NCCP courses and community coaching stream, and we continue to support our coaches in getting a C License certification.

We do require that all coaches, managers and BOD accept the Calgary City FC Harassment Policy, agree to abide by the league Coach Code of Conduct and have a valid Police check. If you are interested in coaching, managing a team or helping our club, please do not hesitate to let us know. Info@calgarycityfc.ca

VOLUNTEER CREDIT PROGRAM

Credits will be offered at the **END** of the season for VOLUNTEERS to be used for the following season:

Head Coach $50

Team Manager $50

Other volunteer credits to be discussed

NEW Calgary City FC KIT

Gear Requirements:

Each player must have their shin pads and appropriate footwear for soccer.

For grassroots programs (U7 to U9), we have sponsorship from Tim Hortons and Shane Homes, which provide us with the players' uniforms.

Players new to the team or moving up to U10 will be required to purchase a CCFC Kit ($150).

The kit includes a backpack, two jerseys (home and away), shorts, socks, a hoodie, and a training T-shirt (red or white). The set is mandatory – all players must wear the proper gear, with no exceptions, and players will keep the whole kit.

Education fee:

The $15 education fee covers costs for our team officials' training, such as Respect in Sport, National Coaching Certification Program courses, coach licenses, and development.

Facility:

A $15 facility fee will be added to all registrations. Calgary City FC plans to have own facility for its players. This fee will be used solely for facility development. Please visit our website for more details about the project.

*** Education and facility fees are in addition to registration fees.**

Shane Homes U7 – U9 Grassroots League

Goals of the Shane Homes Grassroots League

CMSA's Grassroots League, sponsored by Shane Homes, is modelled after national and international best practices and **Calgary Minor Soccer Association League Standards** with a developmentally appropriate playing environment that allows expression, creativity, and development to flourish. Match Day provides players with more time on the field, more time on the ball, and flexible matchups through an open roster system.

This league encourages mixed-ability (balanced) groupings prioritizing social relationships as the basis of Match Day groups. This allows players to move between groups as required to ensure that each participant has a positive and developmentally appropriate match environment. The Shane Homes Grassroots League prioritizes enjoyment, so players want to come back next week and more importantly, for many seasons to come!

CMSA U10 and U11 League

Developmental Plus+ and Developmental

CMSA's U10 and U11 League has a 'Developmental Plus+' and 'Developmental' stream. Both streams offer a quality experience for players and their families. **Neither stream is purely based on ability but on the needs, interests, and motivations of the child.** The determining factors in evaluating whether to place groups in the "Developmental Plus+" or "Developmental" streams are the length of the season and the proximity of their matches. "Developmental Plus+" will play in a city - wide division and have a longer, split format. "Developmental" will have regionalized play with a shorter season. In this player-first model, clubs are encouraged to evaluate players based on their levels of interest and commitment in soccer and utilize social relationships (friendships) as a key factor in forming teams.

CMSA advocates for equal playing time for all players and to try all positions on the pitch. No scores or standings are kept in the Developmental Plus+ or Developmental stream.

Development Plus+ Stream

Primary Activity
For players that LOVE soccer and are likley to particpate year-round

Longer season, City-wide
For players looking for longer season and comfortable with city-wide play

More Weekly Activity
For players looking for more play/training within their club environment

Development Stream

Multi-sport Youth
For players that are multi-sport or looking for part-time soccer

Shorten Season, Quadrant Play
For families looking for shorter season and want games closer to home

Less Weekly Activity
For players looking for less soccer activity to make time for other interests

CMSA U12 and U13 League

Goals of the U12 and U13 League

CMSA's league offering for the U12 and U13 League aims to have quality programming for youth at all ages, stages of development, and interest/commitment levels. CMSA welcomes experienced and novice players into any of our clubs to continue or begin their soccer journey. Our U12 and U13 leagues operate in alignment with **Long-Term Player Development (LTPD)** Standards and would be a part of Stage 3 – Learn to Train (U12) and Stage 7 – Soccer for Life (U13 – Community and Competitive).

CMSA advocates for equitable playing time for all players regardless of Tier in these ages. A balance of skill level and commitment should be considered when tiering players. CMSA recommends the following considerations to ensure that players and families are placed in the appropriate program:

Tier I and Tier II Considerations

More Developed Players
For players that are more developed or experienced playing soccer

Year-round Soccer Play
For players with soccer as their primary activity/more likely to play year-round

(+) Weekly Commitment
For families committed to 3+ soccer activities weekly (training and a match)

Tier III+ Considerations

Entry-level Players
For recreational players or youth entering the sport for the first time

Seasonal/Multi-sport Youth
For multi-sport players interested in seasonal play or a variety of activities

(-) Weekly Activity
For families committed to less than 3 soccer activities weekly (training/a match)
